Camden Futures

Camden Futures is a service which can help local families in a range of ways. These include, finding the best sources of support for children and parents, improving family relationships and well being, and advice on issues including education, benefits and managing finances.

Who we help

Camden Futures offers support to families living in Camden:

1. With complex and multiple needs
2. With children between 0 and 18 years old
3. With no other family key worker

What we do

Camden Futures has a team of workers who work together to support local families. These include:

Family Workers - giving support and advice around parenting, family dynamics, and child behavioural issues. Helping parents and children access support in the community. We can meet families at home, in schools or in other community locations.

Financial Inclusion Worker - offering support and advice with debt and money management, welfare benefits and other practical issues.
