

Governor's Information 2023/24

The Royal Free Hospital Children's School is a maintained community special school and our Governing Body is guided by the Department of Education regulations and has three core functions:

- Holding the head teacher to account for the educational performance of the school and its pupils, and the performance and management of staff.
- Ensuring clarity of vision, ethos and strategic direction.
- Overseeing the financial performance of the school and making sure its money is well spent.

The Governing Body of the Royal Free Hospital Children's School is made up of a variety of individuals from different backgrounds and professions, including the local community and businesses, the school community and the local council. Collectively they have the skills, connections and dynamics to support the school, working together in striving for high aspirations, the best education for all of our pupils and the job satisfaction for our staff.

This information gives the shared roles and responsibilities delegated to members, our attendance and any declared pecuniary interests.
