Dear Alex Yates

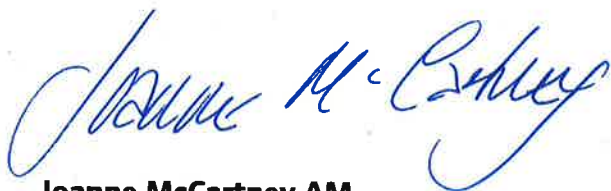

Healthy Schools London Gold Award

I am delighted to enclose your certificate for the achievement of the Healthy Schools London Gold Award and would like to congratulate you on supporting the health and wellbeing of your school community. The Gold Award cannot be renewed as it is awarded for specific time-bound activities. However, schools are welcome to submit new Silver Plans and Gold reports for new pieces of work. Schools are also asked to maintain their Healthy Schools London status by renewing the Bronze Award every 3 years. Upon the expiry of the Bronze Award, schools submit an updated Healthy Schools London (HSL) Review Tool (Bronze Award) and receive a new Award with certificate.

Please continue to look at our website www.healthyschools.london.gov.uk/resources for ideas and inspiration on how to continue your school's Healthy Schools work and contact your local Healthy Schools Coordinator for additional local support:
www.healthyschools.london.gov.uk/contacts If you need to contact the Healthy Schools London team, please call 020 7983 4215 or email: healthyschools@london.gov.uk

I wish you every success in maintaining your Healthy Schools London Gold Status and continuing to develop your work around pupil health and wellbeing. I look forward to meeting you at our annual celebration event at City Hall in June 2019. Invitations will be sent at the beginning of the Summer Term 2019.

Yours sincerely

Joanne McCartney AM
